Announcements

- Our Weather Wise (In House) field trip will be on Thursday, Feb. 22. If you haven't returned the permission slip, please do so ASAP. Your child will not be able to participate without this signed form.
- If your child forgot to mention, we had ABC Chief Meteorologist, Chris Hohmann, join the 2nd grade to kick off our Science Unit on Weather. He was so pleased with our group that he gave us a "shout out" on the evening news. The video is attached. Our class wrote wonderful thank you notes to Mr. Hohmann that we are sending next week.
- Report Cards went home Monday. If you haven't returned your child's envelope, please do so as soon as possible. We use these envelopes all year for each quarter's reports.
- Thank you to all the parents that joined us for the Math Academy. The packet sent home last week with the WISE Model is what was given to the parents following the presentation. Please let me know if you have any questions.
- Our class will use Valentine's Day as a chance to let our classmates know how much we appreciate them. The class list was sent home and I have attached for your convenience.
- With the busy 2018 schedule I would love any parent help in the classroom. This is a link to sign up for any time available. THANK YOU!
