Announcements

Report Cards came home in their manila envelopes. Please sign the envelope and return with your child – we use these all year. You can keep the papers inside at home. Please let me know if you have any questions or would like to confer regarding your child's progress.

Our class will exchange Valentine's on 2/14. If you wish to participate, please be sure you have enough for all 17 students. We will decorate the bags in school so there is no need to prepare something at home. This will be done in the morning and will not take away from instructional time. The Class list was sent home in Friday Folders and is available on the class website.
