***Please be sure you read the Room Parent letter that was sent home in the Friday Folders. Thanks Anna & Amy!**

Announcements

Roar & Run – LES PTA is hosting it's first Roar and Run/Giving Campaign (aka Fun Run). 100% of the funds raised will remain at LES. Please see the **orange sheet** in your child's Friday Folder.

SeeSaw – Thank you to everyone that has signed up. If you haven't it isn't too late. We are excited to begin using SeeSaw in our classroom. This is a fun & efficient communication tool that will be used to build a digital portfolio for your child. I highly recommend downloading the free app. As soon as you register, you will begin receiving pics, videos & more from the classroom.

Greensboro Chaperones – If you plan to be a chaperone for the Greensboro Field Trip, please be sure you have registered to volunteer. The county is asking that any volunteers for the year be registered by 10/31.

Volunteers – I could really use some help an hour or 2 each week. If you can pop in any time to assist with copying, sorting, cutting, etc., feel free to send me an email with the day/time you are available. It can be one time, once a month ... whatever works with your schedule. THANK YOU! The following link will be active all year on our class website as well:
